Mayor's Foreword

Section 54 (1) (c) of Local Government: Municipal Finance Management Act (MFMA) 56 of 2003 mandates Mayors of Municipalities that on the receipt of a statement or a report submitted by the accounting officer of the municipality in terms of section 71 or 72 should consider and if necessary make any revision to the service delivery and budget implementation plan (SDBIP) provided that revision to the service delivery targets and indicators in the plan may only be made with the approval of the council following approval of an adjustment budget. In compliance with the above statement the municipality has on the 27 February 2018 approved an adjustment budget and we see it fit that the 2017/18 service delivery and budget implementation plan be revised to be aligned with the adjusted budget.

The table below reflects summary of the adjusted budget approved by the municipal council on 27 February 2018:

DESCRIPTION	BUDGET 2017 / 2018	ADJUSTED BUDGET 2017/ 2018	BUDGET 2018/2019

CAPEX - OWN FUNDS	58,960,000	62 395 412	31 925 000
CAPEX MIG	81,478,401	104 268 114	86 251 369
CAPEX INEP	10,000,000		50,000,000
TOTAL CAPEX	150,438,401	166 663 526	168 176 369
<i>SURPLUS/(DEFICIT)</i>	<i>(90,883,604)</i>	<i>(179 857 625)</i>	<i>9 569 205</i>

The municipality has huge service delivery backlog and imbalanced development emanated from previous regime of apartheid. We hope this budget will contribute positively in addressing the past imbalances and forging way forward toward achievement of National Development plan Goals. The municipality is committed to provide quality and sustainable service for all.

Cllr Phokane M.J
